## Flippa ball (modified water polo)

Flippa Ball is like a water version of Football. Players are required to use their hands to pass a ball around within their team with the ultimate goal of being able to score by throwing the ball into a floating net.

Flippa Ball is played in waist-deep water. This allows players to stand confidently on the bottom of the pool, whilst also allowing for effective swimming.

The game can be physical, so it is slightly better suited for students who are confident in and around water, but we also cater to those who are less confident and want to learn a bit about water safety.

We have the opportunity to play in a local competition playing Flippa Ball. To make the most of this opportunity, we need parent help to organise students on Sundays. Running a session in the school pool after school one day a week may also be beneficial.

**Parent Help:** To organise students on Sundays at the games and maybe a practice after school

**When:** Sundays between 9 am and 6 pm (times change each week)

Starting 18th February

**Games:** Several games of 7 minutes each game

**Where:** Hillcrest Normal School

**Cost:** \$30 per person payable on <http://bit.ly/KNSkindo>

Your child will need a suitable swimming outfit. Swimming goggles are optional. They will be provided with the game headwear on game days.

**Payments and permission must be received before Tuesday, 13th February at 8 a.m.**

If you have any queries, please contact me at [dhannah@kns.ac.nz](mailto:dhannah@kns.ac.nz)
