

Covid Level 2 Competition Days

While we are under the governments Covid Level 2 we will be following all Netball NZ guidelines for community sport gatherings so that we can continue to play netball.

These guidelines applied to Hamilton City Netball Centre mean:

- HCNC has been divided into defined areas (blocks) (see attached court map).
- Defined areas can not interact with each other.
- Each defined area (block) can have a maximum of 100 people.
- Each team entering HCNC can have a maximum of 15 players and/or officials (coach, manager, umpire), who are registered on Friendly Manager.
- futureFERNs teams (Yr 1-6) will be allowed to bring in adult supervisors who are not registered on Friendly Manager if they complete contact tracing requirements. The total number of people per team must remain under 15.
- There will only be one entry point and one exit point for the Centre.
- No spectators will be allowed to enter HCNC.
- Staggering of game start times between defined areas (blocks) will occur to ensure blocks do not interact.
- Warm Ups will occur on the court each team is playing on. This will be limited to half an hour.
- ALL competitions (except Premier Indoor) will umpire their own games. Umpires must be registered in Friendly Manager to that team and enter the Centre with the team.

To ensure HCNC meets the above guidelines some competitions have had to be moved to a different day and/or time. These are listed below.

Further information specific to each competition, the draw for each competition and entry and exit procedures will follow in the coming days. There will be format changes to some competitions.

These Hamilton City Netball Centre plans are subject to change following guidance from the government, Ministry of Health, Sport NZ, Netball NZ and other bodies who are reviewing their guidelines constantly.
