Room 25 Newsletter Term 3, 2020

Welcome to Term 3, 2020! Here is our term outline:

The Knighton Way - Persistence/Whaikaha. We learn about how I keep trying, I do my best work, and I finish my work.

Growing Things - we will be using this School Kit resource. It is a super-secret resource and the advertising says:

If you love cultivating young minds, then this kit will really be an addition to your teaching tool shed and support you to scatter new seeds of knowledge. We look forward to seeing what new learnings bloom in your junior classrooms.

Keeping Ourselves Safe - This is a structured unit that gives children the opportunity to learn the skills necessary for their safety. We strongly encourage your involvement by working with your child to complete the homework activities, attending the parent meeting and visiting our Class Dojo.

Some things to think about:

- * Shoes that are easy to put on and take off -gumboots are great!
- * A change of clothes for my bag - I might get wet or muddy
- * An extra layer, it's getting cold!

- Friday — Assembly 9.10am
- Tuesday - school notices
- Friday - poem book comes home

Welcome to our new Grad Students Kiri Kayward and Kaveeta Reddy, from the Faculty of Education, who will be in Room 25 on Tuesdays, joining in with our teaching programme as well as carrying out their university tasks.
