## Education Outside The Classroom (EOTC) 2020

Kia ora e te whānau,

*Tirohia kia mārama. Whāwhāngia kia rangona te hā.  
Observe to gain enlightenment. Participate to feel the essence*

As we begin our final term for the year, our Knighton EOTC experience is right around the corner. This is a chance for our tamariki to experience an exciting range of learning opportunities while also giving us the time to enjoy each others' company and celebrate reaching the end of a very unique year.

As the senior team of teachers, we have worked hard to plan a week of experiences that highlights our Knighton Values and the Knighton Way, with something for everyone. We have also ensured that this will be at no cost to our whānau.

All activities will take place in **Week 8, 30 November - 4 December**, and they include a combination of both in-school and out-of-school experiences. The table below is an outline of the timetable for your child's class. You will see that there are three days during the week - Monday, Wednesday and Friday - where parent support is needed.

On Wednesday and Friday, we require parents/adults to join us for our day at East Link Sports and the University, where we will be walking there and back.

On Tuesday we would also love for parents to support children on our Te Ao Māori day to support children with their weaving and carving from 11am.

On Monday, we need parents/adults who are able to provide transport to and from Extreme Edge Rock Climb in Frankton.

If you can join us on any, or all, of these days we would be very grateful.

Please return the form below to your classroom teacher as soon as possible so that we have the necessary permission for your child, and we can make sure we have enough parent/adult helpers available. If you have any questions feel free to email your child's teacher - [nantoniadis@kns.ac.nz](mailto:nantoniadis@kns.ac.nz)
