

Tuesday 16th March

Kia ora parents and whaanau,

Next **Wednesday 24th March**, KNS is having our annual cultural festival. To celebrate in Room 32 we are having a shared lunch that day. (Mr Armistead has given us the OK to have one - yay!)

If you are able, please provide a plate of food for your child to share with the class.

Food that is special to your family's culture/ heritage is preferred but not a necessity.

- ❖ Our school has a **no nut** policy as there are many children with severe allergies. Please be conscious of this when preparing your food.
- ❖ Food must be able to be stored at room temperature in the class during the day. Food can not be reheated or kept in a fridge.
- ❖ Please provide any equipment needed to eat the food i.e. a knife to cut a cake.

Any questions or queries, please contact me on Class Dojo.

Thanks,

Miss Lynch
