Dear Knighton whānau,

We have an opportunity to host The Gymnastic Academy during a lunchtime break. Why The Gymnastic Academy? Their ability to come into our school means:

- Parents don't need to worry about driving to a facility.
- They bring expert coaches and performance equipment to us at convenient school times.
- Children can improve their skills and achieve results at an accelerated rate in their comfortable school setting with friends.
- Children & parents can measure performance with the unique grading system where certificates are awarded as children increase their skills.
- The programme caters for school children of all ages
- Extra opportunities to take part in competitive events; placing, spot prizes and trophies for schools awarded - extra cost involved

As an independent program using our hall space, *The Gymnastic Academy* deliver comprehensive programs that will improve:
