Education Outside The Classroom (EOTC)

Kia ora e te whānau,

We are really looking forward to our upcoming EOTC activities that we are sure your tamariki will have told you about. This is a chance for our tamariki to experience an exciting range of learning opportunities while also giving us the time to enjoy each others' company and celebrate the end of our year together. As the senior team of kaiako, we have worked hard to plan experiences that highlight our Knighton Values and the Knighton Way, with something for everyone. We have also ensured that this will be at no cost to our whānau.

Please find attached the permission slip for your child to attend:

Kirikiroa Marae - 23 Whiringa-ā-rangi / November

One of the activities planned for our week of EOTC is to experience a pōwhiri at Kirikiriroa Marae (behind our kura off Wairere Drive). We'll spend part of the day immersed in the culture of Kirikiriroa Marae, learning about its history and some important stories of our local iwi from Whaea Te Rangi Martell (one of the many kaitiaki of the marae).

Eastlink Sports Day - Week 7 - 28 Whiringa-ā-rangi - 2 Hakihea (28 Nov - 2 Dec)

Tamariki will take part in futsal, badminton and inline skating with qualified instructors. We need adult helpers to support each class as we walk to the centre beside Wairere Drive.

University of Waikato Pool day - 9 Hakihea / December

Tamariki have the opportunity to swim, play water based games, learn to jump safely into the diving pool and play team and strategy games on the field. All activities are supervised by fully qualified lifeguards and our school ratio of 1 adult helper to every 5 tamariki. We walk from kura to and from the university and we will be back at kura before the 3pm bell rings.

We need your support as we walk to and from Eastlink Sports and Waikato university to supervise tamariki swimming in the university pool (you do not need to hop in the water to be an adult helper - unless you would like to 😊)

Ngā mihi nui ki a koutou.
