# **Farewell and Congratulations**

During this week we farewell Shervl Abbott from our office team. For many of you Shervl would have been the first person you met at KNS. Sheryl has been an amazing member of our office team over the last six years. Her enthusiasm, care and hard work have ensured that children, parents and staff have benefitted. An example of this, that I know Sheryl was very proud of, was being heavily involved in the Twilight Cultural Festival that was very successful earlier this year. We would like to wish Sheryl all the best for the exciting next steps in her career.

## **TOPA Tamaiti Pasifika Celebration**

Wow Pasifika Knighton, you did us proud! Congratulations on your first competitive performance. Such big hearts and big smiles. You should all feel extremely pleased with yourselves. A huge thank you to the fanau for supporting your children for this event, to Viv Ellis for sewing our lava lava's, to all staff involved involved for time and efforts preparing students, and to all the supporters who came and cheered. Landy and Jordan Nonoa, you are such amazing cultural ambassadors, we are honoured to be part of your team, thank you for all that you do. While we did not place this year, we certainly enjoyed ourselves!

## **Senior Production**

This week sees the performances for our Senior Production 'Knighton's Whole New World'. The senior team have been working very hard and they have put together an excellent show. Tickets cost \$4.00 each and are available on Kindo or from the school office. Evening performances start at 6:30pm sharp, not 7:00pm as advertised on the school website. ## **Football Tournament**

It was fantastic to see such a large number of our Knighton children, supported by parents taking part in an end of year football tournament last weekend. It was great to see the success they achieved, but mostly the fun and teamwork they displayed. Well done teams! Please wash and

return the Knighton Football Club uniforms to the school office with the child's name and team name attached this week.

#### **Normal School Conference**

From Wednesday to Friday last week I attended the Normal and Model School conference, held in Wellington. As president of this amazing group of schools I am proud to say that it was a very exciting three days. The group met with Minister Chris Hipkins, visited normal schools in Wellington, listened to an amazing variety of speakers and made some significant plans to improve teacher education. Exciting times ahead!

#### Well Done Hannah

Earlier this term Hannah, one of our senior students made a wonderful range of hair scrunchies to sell. It was her goal to make as much money as possible to go to the Cancer Society. She raised a total \$378.40!!! Thev were understandably impressed with her effort. What an amazing difference you have made Hannah!

## **Immunisation Update**

Thank you for the 55 replies from last week's newsletter. We now have **150** students for which we have no documented evidence of their immunisation status. If you are one of these families your child will have already brought home a letter requesting this information. We need certified confirmation that your child has been fully immunised or at a minimum, that they have had two measles vaccines. These immunisation certificates are required to be presented to school urgently. If you have chosen not to immunise your child please also let us know.

Please be aware that should we have a confirmed case of measles, then the Medical Officer of Health will advise us on excluding students that haven't had two measles vaccines. This could potentially mean a prolonged period of absence from school.

For further information on measles, how it is spread, and the signs and symptoms of measles go to <a href="https://www.health.govt.nz/your-health/conditions-and-treatments/diseases-and-illnesses/measles">https://www.health.govt.nz/your-health/conditions-and-treatments/diseases-and-illnesses/measles</a>

#### Traffic Concerns

Safety concerns have been raised again about our school's parents who are dropping off and collecting their children on Knighton Rd and Somme Cres. Homeowners have been unable to use their driveways. For everyone's safety and the school's reputation, can we please all ensure we are following road rules and basic courtesy when using these pick up points. Stopping on yellow lines or over a driveway even for a short time is NOT okay. We have contacted the Council and Police to follow this up with.

#### 2020 Road Patrol and Traffic Wardens

It is that time of the year when students who will be in the senior school next year can volunteer to be a member of one of the road safety teams for 2020.

<u>2020 Year 6</u> children: The road patrol team are year 6's and they cross children at either Knighton Road or Clyde Street crossings.

<u>2020 Year 5</u> children: The traffic warden team are year 5's who cross children either on Dey Street or the Henry Street island.

Further information and a permission slip about these roles is available on <a href="www.kns.ac.nz">www.kns.ac.nz</a> or a copy is available at the school office. The completed permission slips must be returned to the Frog Box at the Smiley Window by *this* Thursday 26 September.
