Dear Room 12 and 13 families,

## **Our Sanctuary Mountain Maungatautari Trip is postponed until Friday 9th December!**

Unfortunately, due to the wet and stormy weather forecast for tomorrow, and on the advice of the staff at Maungatautari, we have had to make the difficult decision to, once again, postpone our trip.

We did think tomorrow would be our final opportunity to go to the mountain, however the good news is the staff at Maungatautari have given us a new date: **Friday the 9th of December.** 😊

Thank you to all our whānau who have so kindly offered to help out. We apologise that, once again, we need to change the date! We have really appreciated your willingness to re-organise your schedules, more than once, to help us out. Please let us know if you are able to help us out on the 9th of December.

Many thanks for your understanding. We are doing our very best to give the children this experience.

Kind regards,

Jackie Simpson 😊 and Danielle Brydon 😊
