

We are nearing the mid term point and all classroom programmes are now in full swing. As Principal, I'm in the privileged position of being able to visit classrooms each day and witness the rich learning that is going on. As you will be aware, there is a nationwide move to improve the attendance rates of a number of tamariki. As a country, our levels of regular attendance fall significantly below those of other countries. This year, for the first five weeks of the year, our school rates have risen to over 86% attendance on any given day. We've been really pleased with this increase but there is still work to be done. As the weather starts to get colder and wetter, it is still very important that your child attends school unless they are unwell. Children learn best when they receive repetitive instruction every day. We, as a school, will continue to work closely with the community on ensuring our children get the best possible start they can to their education.

Yesterday when the weather was wet, daily attendance dropped by 10%, this is 65 students - the equivalent of more than two full classes away. Please remember that rain is not a reason to keep your children home from school.

Focus on attendance

Here are some strategies to improve punctuality:

- Establish bedtime routines like packing school bags and getting to bed earlier
- Set a time for turning off electronic devices
- Come to Breakfast Club

MyKindo - Pay It Forward

We would like to say a big THANK YOU to all those who paid for stationery and hats for another child through myKindo Pay-It-Forward. This support is always greatly appreciated.

If you would like to use this facility to support a child in need by gifting a stationery pack or hat go to - <https://shop.tgcl.co.nz/shop/index.html>

We had the parking wardens visit our school on Wednesday last week, most of our parents do the right thing at school pick up and to those parents we say **THANK YOU!**

However we do have a handful of parents who continue to choose convenience over safety and park **on yellow lines**, **footpaths** and **across the school access** and **neighbouring properties driveways**.

There is a carpark at the church on Knighton Road which is a short walk from school which you can utilise for school pick up, alternatively if you collected students 5-10 minutes after the bell there will be ample parking available, the issue we have is too many parents arriving before the bell which creates congestion issues.

****All students must be collected by 3:20pm as there is no staff supervision after road patrol duty ends.***

Wacky Wheels Wednesday

Who's ready for Wacky Wheels Wednesday? On Wednesday 6 March we are welcoming back a Wacky Wheels Wednesday. Come to school dressed as wacky as you would like. The student council is also going to hold Wacky Wheels sessions during the breaks. The first break will be for the years 1, 2, & 3 and the second break will be for years 4, 5, & 6. Tamariki must remember their helmet. They can bring scooters, skateboards, roller skates and roller blades but **NO** bikes because the court is too small for bikes.

The Student Council

Lost Property

Please come and look through the lost property outside Mrs Cowie's office regularly. Named items can be returned to children but unfortunately most of the clothing that is lost by children is unnamed. Please remember to name swimming togs and towels too.

All lost property will be displayed on the court on Wednesday 6th March - please come and have a look.

All unnamed belongings that are not claimed are donated to a second hand shop.

Senior Swimming Extravaganza!

The whistle blew and the year five girls stepped on to the blocks.

BEEP!

splash

The Thomson cup had started.

The crowd went wild! *Wee hoo!*

All the girls swam as fast as lightning because they were determined to finish first.

Next up was the Ostler cup, year sixes only! 50 metres is a long way - 2 lengths of the pool and the two boys who raced to the end did an outstanding job.

We all got tired just watching them!

Our tamariki had an opportunity to swim on their front, swim on their back, swim like a frog, swim like a dolphin or to build their confidence in the shallow pool using noodles and kickboards or get help from the kaiako in the pool.

At the end there was a relay against our lovely kaiako and the tamariki. Guess who won...the kids! (because we're faster 😊)

It was really exciting and so much fun to see kids build their confidence in the water, overcome their fears and give it a try.

Tino pai rawa atu tamariki maa!

Knighton Junior Football Club 2024 Season

Registration Day - **Sunday 10th March, 2:00 pm** at Knighton Normal School.

The fee of \$75.00 per player is to be paid to Stephen Hine of Knighton Junior Football Club.

Email: stephenhine@actrix.co.nz Tel: 027 472 6141

***PLEASE NOTE - you DO NOT return your registration form or fees to Knighton School**

Updated Contact Details

It is important that we have up to date details in our system for your tamariki/children. This is both to ensure we have reliable contacts in case of an emergency, and also for sending out important information from school.

We need to have:

- Current address
- Caregiver/s phone number/s
- Caregiver/s email/s
- Emergency contact phone number/s

If your child is being collected during the school day for an appointment or family reasons they must be signed out at the office before you collect them from the classroom. The person collecting them must be named in the system as having caregiver permission to collect.

You can check at the office to make sure we have your up to date details, or email knighton@kns.ac.nz

Note your calendar

26 March - Board of Trustees Hui - 6:00pm

27 March Union Meeting - SCHOOL CLOSES - 12.30PM

28 March - Cultural Festival & Parade - 9:15am

29 March, Good Friday - SCHOOL CLOSED

1 April, Easter Monday - SCHOOL CLOSED

2 April, Easter Tuesday - SCHOOL CLOSED

5 April - Te Hihiri 25 Year Celebration

12 April - End of Term 1 - 3:00pm

29 April - Term 2 begins - 9:00am
